

The Theta Theta Chapter of Alpha Phi Omega

Fellowship Policy

Each brother, for each semester (Fall and Centre/Spring), must attend two (2) fellowship events sponsored by the Fellowship Committee of Theta Theta Chapter. To help brothers achieve this requirement, the chapter will provide at least three (3) free fellowship events for each long term. A written fellowship evaluation form, completed by the brother, will serve as verification of attendance and participation.

Attendance is understood to be more than just participating in implementation of the project. The brother must be at the event for a reasonable length of time which is to be determined by the Vice President of Fellowship.

For a fellowship event to be considered a Theta Theta sponsored event, it must be planned by the Fellowship Committee of the chapter or the Vice President of Fellowship. Also at least 20% of the active brotherhood must be present at the event.

While inter-section fellowships are encouraged, those section fellowships not planned and/or hosted by Theta Theta chapter do not count within the two (2) semester requirements set forth.
