

Partners Rx Network

National Network Chain Pharmacy List 2001

This is a list of the national chain pharmacies that participate or are members of the Partners Rx Network - national retail network. This list is subject to change without prior notice. Check with your local independent pharmacy to see if it is a member or participates in the Partners Rx Network.

Remember: Always show your medical ID card or drug card when you purchase a prescription. This saves you the time and trouble of filing a paper claim.
