Annual Meeting of the Kentucky Section of the MAA
Morehead State University
April 1-2, 2005

Contributed Talks Abstract Submission Form
All information must be received by February 28, 2005.

All contributed talks will be scheduled for 15 minutes. Please submit your name, affiliation, title, and abstract in the format illustrated in the example below. You may attach this form to an e-mail or simply type all of the information directly into an e-mail and send it to John Wilson at wilson@centre.edu. If you have any questions, please call John Wilson at 859-238-5409.

An Example of an Ideal Abstract Submission:
James Barksdale, Western Kentucky University
A Plane Polygonal Law
The Pythagorean Theorem, the Law of Cosines, and the Parallelogram Law all illustrate the concept of a plane polygonal law. This presentation establishes a result which details how certain (homogeneous) plane polygonal laws create/imply other (consequential)plane figure laws.

I am:  _____ undergrad  _____ grad student  _____ faculty  _____ industry/business

E-mail:  _______________________________________________________

Time Preference:  _____ Friday afternoon  _____ Saturday morning  _____ None

Avoid conflict with short course?  _____ Yes  _____ No

Equipment needs:  _______________________________________________

Name, Affiliation, Title of talk, Abstract (in the format shown above):
